

FIRE RESPONSIBLE PERSON

ON-SITE

3.5 HOURS LIVE CLASSROOM

1 DAY OPEN CLASSROOM

TRAINING OVERVIEW

This course is designed to train and prepare the Responsible Person within an organisation, who are required to manage fire safety. This course will give the skills and knowledge to help meet their obligations within their organisation and the legal responsibilities identified in the Regulatory Reform (Fire Safety) order 2005.

Candidates will also understand the requirements needed to carry out a suitable and sufficient Fire Risk Assessment, the hazards you should look for and how to reduce the risk of fire, a key legal requirement highlighted in the RRO 2005.

COURSE AIMS

- Learners will leave with an understanding of Legal Requirements and Legislation
- Fire Risk Assessments, Fire Precautions & Fire Safety Policy
- Understanding of Fire Escapes and Doors, Safety Signs, and Emergency Lighting
- Knowledge of firefighting equipment

DURATION

1-day course classroom based commencing at 10:00 hours, ending at no later than 16:30 hours, with a 60-minute lunch break. 3.5 hours live virtual classroom commencing at either 9:30-13:00 or 13:00-16:30.
